

LIVE YOUR DESTINY TODAY!
Transformational Destiny Coaching by Valerie Love, Divine Midwife
Supporting you in birthing your Destiny...

Greetings!

*I am overjoyed at the prospect of working with you to fulfill your dreams and live your **Divine Destiny!***

As indicated by your interest in the spiritual life coaching process, you may be at a point in your life where you're ready to make a serious change.

I believe this is a pivotal and providential time for you. Our connection is not accidental. You and I have what's referred to as a Jabez appointment. There's something specific we are to do together, you and I. Thank you for heeding the call.

Attached you will find the Life Coaching Private Client Questionnaire & Application. Take a few moments of quiet time to thoroughly and mindfully answer each question. Your full honesty on the application enables me to get to know you better as we enter this transformational process and determine how I may best support you in moving forward.

When you've completed the questionnaire, please return it by e-mail to: valerielove@LiveYourDestinyToday.com

I am thankful for your decision to take your life to the next level by committing to and engaging fully in the coaching process!

Let's create something beautiful together...
